NEED MORE GLASS LIFTERS?

Meet our Hoeflon S800

$350 / day

$1300 / week

The Hoeflon S800 suction lifter is a premium quality multifunctional glass lifter, with exceptional fit and finish.

The angle adjustment on the Hoeflon lifting arm provides extra safety and convenience for indoor glazing installation because the angle can be fixed in different positions.

Unique features:

- Lifting capacity from 200–800 kg with dual circuit vacuum system
- 360° rotation with four locking positions for controlled handling
- 90° tilting range with six locking positions for precise positioning
- Extremely compact and lightweight design: only 55–80 kg depending on configuration

Includes:

- Remote control
- Transport trolley
- Exchangeable lifting arm
- Exchangeable battery system incl. spare battery
- Protective covers for suction cups

Specifications:

Lifting capacity double circuit: 200 - 800 kg
Machine weight: 55 - 80 kg
Rotation range: 360° with four locking positions
Tilting range: 90° with six locking positions
Machine height: 200 mm
Battery: 12VDC, 10Ah

* Prices exclude GST. A 10% Damage Waiver fee may be applicable for customers without a valid insurance certificate of currency. Prices are valid as of 1st September 2026 and subject to changes by Asset Construction Hire at any time.
